How it Works

In addition to regular Day Care, our Day School includes outdoor or individual walks, Parcour, Nosework, Fun Agility, and Treadmill time. We reinforce basic manners and impulse control. A short video of your pup's day will be shared on your Trello board daily. Please note: this is not competition training and does not address specific behavior issues.

If your pup is boarding with us, Day School can be added for \$50/day. Drop-off is between 8-10 AM; pick-up between 5-7 PM. Meals or snacks can be provided—just let us know during drop-off.
