

SEPARATION ANXIETY

Program & Pricing

During your Virtual Separation Anxiety Training Package, you and your Instinct trainer will meet once a week virtually for real-time progress assessments. In between sessions, you will receive a total of 20 fully personalized homework missions which are logged in your dog's own custom spreadsheet!

Virtual SepAnx Program

5-Week Program | 1x/week

\$687

What's Included:

- Baseline Assessment and Consultation (60 minutes)
- 4 virtual Reassessments (30-45 mins) to review your dog's progress and develop a weekly plan
- 20 personalized missions created daily by your trainer based on your dogs needs and progress
- Daily support and feedback
- Customized behavior log and resources to track the dog's progress

All Separation Anxiety programs include the following support:

Personalized Coaching App

Stay connected with your trainer & get timely feedback via your personalized, Collaborative Coaching Trello board

Alumni Facebook Community

Share successes and get support from our trainers & other Instinct clients as you navigate your training journey.

Free Alumni Classes

Participate in free, alumni-only group classes & continue to build your skills long after your initial program ends.

Weekly Trainer Q&A Sessions

Get additional insight from our most experienced behavior consultants during weekly drop-in Q&A sessions.
